APPLICATION

The Fete Committee reserves the right to reject any application or change performance times at the last minute. All Entertainers must agree to abide by all Terms and conditions at all times. Entertainers are required to be local performers or connected to the Parish/School somehow.

EQUIPMENT

All entertainers are required to supply their own equipment. Some materials are available for free hire upon request.

CANCELLATIONS

All entertainers are required to provide notice of any potential risk to your ability to perform at our fete. Entertainers are requested to provide an alternative performance if you are unable to perform on the day.

PARKING

Once you have unloaded you will be required to remove your car from the unloading area. If your car cannot be then driven offsite (preferable) we will allocate one parking space per act to be parked top to tail in a stall holders parking bay until 4pm. Your car will be parked in and unable to be accessed until 4pm. Upon receipt of your application you will receive a parking notification to be displayed on the dashboard of your car. The Fete Committee will direct you on the day to the stall holder parking area.

We also have a Fete shuttle bus taking fete goers each half hour from a central location in Croydon up to the drop off loop at the fete entrance.

SET UP

Entertainers are advised to arrive no less than 15 minutes before their performance time. Parking will be available on the drop off loop for entertainers to unload their equipment, which is right at the fete entrance. Due to the school layout, it is not possible to drive cars

close to the stage to unload equipment. However this can be arranged with adequate prior notice.

RUNNING ORDER

Upon arrival please go to the hall and check in with the committee member stage managing the performance area. They will be wearing a Fete high vis vest and will be located near the stage.

STORAGE OF YOUR BELONGING ONSITE

Performers can be provided with a safe place to store belongings during their performance. The most secure spot is in a small area to the side of the stage, so please do not rely on this area for a lot of possessions. You accept responsibility for all items stored at the Fete.

TOILETS

The only private area to get changed in is in the toilets to the left of the stage.

SEATING

We will have row seating at the front of the stage - around 100 seats. However the rest of the hall area will be filled with round tables and chairs as we are serving the hot food from the hall and this is the food hall area. Whoever is eating and relaxing at the fete will be in the hall watching. Around 2,000 people attend the fete each year.

WASTE MANAGEMENT/STALL CLEAN UP

It is the entertainers responsibility to remove all waste/rubbish upon completion of the event.
